

RASUL MUSHTAQ

Data Science Student

Iraq, Baghdad • +9647734710889 • rasul.mhussien@gmail.com • [LinkedIn](#) • [GitHub](#)

SUMMARY

Data Science sophomore specializing in Data Analysis, AI, and Web Development. Willing to create projects and tools in order to turn data into meaningful stories and insights. Worked on projects that focus on building intuitive interfaces, training machine learning models, and summarizing datasets.

SKILLS

- **Programming Languages:** Python, R, SQL, JavaScript, TypeScript
- **AI & Machine Learning:** PyTorch, TensorFlow, Keras, Scikit-Learn, AI Agents, AI Automation
- **Data Analysis & Visualization:** Pandas, NumPy, Matplotlib, Excel, Power BI
- **Web Development:** HTML, CSS, React, Tailwind CSS, Streamlit, Gradio
- **Developer Tools:** Git, GitHub, Netlify
- **Languages:** Arabic (Native), English (Fluent)

FEATURED PROJECTS

- Interactive Socioeconomic Analytics Dashboard** | R, Shiny, Plotly, DT **AUG 2026**
 - Built an interactive dashboard analyzing global demographic and economic trends across 142 countries, deploying the live application to shinyapps.io.
- DeltaLab - Data Health Inspector** | JavaScript, TypeScript, React, Tailwind CSS **AUG 2026**
 - Developed a lightweight browser-based utility for rapid dataset validation and missing-value detection prior to model training.
- Conjunctiva Deep Learning Anemia Detector** | Python, TensorFlow, Keras, Scikit-Learn **JUN 2026**
 - Built a computer vision classification pipeline analyzing conjunctiva image datasets to non-invasively screen for health conditions.

EDUCATION

Bachelor's of Science in Data Science: **AUG 2025 - AUG 2029 (Expected Graduation)**
University of Baghdad, College of Excellence, Department of Data Science

HONORS & AWARDS

- **Ministry Recognition Certificate** - NURAI 2026, Ministry of Higher Education and Scientific Research **AUG 2026**
- **1st Annual Student Forum for AI Projects** - Certificate of Participation **JUN 2026**
- **2nd Place in Cohort** - Department of Data Science, College of Excellence, University of Baghdad **MAY 2026**
- **3rd Place Winner** - Data Science Hackathon (University of Baghdad & Al-Farabi University) **MAR 2026**
- **Excellence Hackathon 2026** - Certificate of Appreciation **FEB 2026**
- **Scientific Output Exhibition** - College of Excellence, University of Baghdad **FEB 2026**

CERTIFICATIONS & TRAINING

- **Summer Training Program** - Supercell Network **AUG 2026**
- **AI Fluency: Framework & Foundations** - Claude Academy **AUG 2026**
- **Python Programming Basics** - Huawei ICT Academy **APR 2026**
- **Fundamentals of Deep Learning** - NVIDIA Deep Learning Institute **MAR 2026**
- **Introduction to Data Concepts** - IBM SkillsBuild **NOV 2025**
